# ECVET FOR ELDERLY CARE

## EFEC

### SECTOR SKILLS ALLIANCES

#### 2013 - 2014

**Implementation of the project results**

**Sirkka Wiman**

Chair of the Steering Committee,  
Principle of the Omnia Adult Education Centre

Funded by the European Union

# Lessons learned

- Importance of *working life partners*
- Focus towards the *future* is necessary
- There are many *good practices* – are there “best” practices after all; one size does not fit all
- *Same principles* can be applied through different context-specific-means
- *Clients’* rights, needs and potential for cooperation/ coproduction of then chosen services

# Down to earth

- Implementation needs commitment and a concrete plan of action

What we have done :

- Dissemination plan of results at Omnia ( a work plan)
- Dissemination within National network of social and health care education providers
- Dialogue with public authorities responsible for vocational training
- Continued dialogue at international level with partners

Our work will continue

Thank you for your attention !
