

# ECVET for Elderly Care

Seminar, 4 th of March, 2013

Omnia, Finland

Welcome!

# Our common goal

- To map the needs for education and training in the care of the elderly
- To design coherent units or modules for elderly care within the ECVET framework of knowledge, skills and competence

# One example, case Finland

- The needs of the labor markets for trained personnel in elderly care has changed
  - The services and tasks have changed
  - The demand for qualified personnel has increased as the sector is expanding
- The Ministry for Social Affairs and Health, Ministry for Education and Culture, Ministry of Employment and the Economy joined forces
- Designed a **training program for “Care Assistants”** ( 2012-13)
- A pilot to be evaluated at the end
- Review in 2013/14 and eventual continuation

# Learning from each other
